Hey Lynn,

No objection to the extension.

Did you get the dropbox link? The zipdrive itself is not password protected. Thanks.

Hi Carrie,

Can you re-send the p/w for the zip drive? (I know you sent it but for some reason I can't find it.)

Also, as the deadline for completion of depositions is Feb. 15th, I planning to write to the court and request an extension: (i) until March 30th to complete depositions; and (ii) until June 15th to complete fact discovery.

Do you have any objection?

Thanks,

Lynn
